This Week

Everyone has been working hard this week in their learning. In computing, Y1 learnt how to type a list in Google Docs, Y3/4 started learning about creating a webpage while Year 5 began their learning about the Mars Rover with great discussion. English lessons have led us to planning our own innovated versions of 'Staying Out' making changes to the story while keeping a similar plot. In dance, we practised our Spy themed set phrase and choreographed changes using different directions and actions.

Attendance

Our attendance this week is
