## Weekly Newsletter

Friday 28<sup>th</sup> November

Issue 9

### This Week

We have been completing some of our assessments this week. The children have completed a SPAG and reading assessment and an independent writing task. They have all worked hard to show what they have learnt. In science, Y3/4 have been learning about food webs while Year 1 has learnt about the properties of materials. In history, KS1 learnt about why the Great Fire of London spread so quickly and KS2 learnt about the impacts of the Windrush generation on Britain. In RE, KS1 have learnt about what advent is and what the candle on an advent wreath symbolise while KS2 have continued to learn about how Christians see God as holy and loving.

### Attendance

Our attendance this week is
