## Weekly Newsletter

Friday 21st November

Issue 8

### This Week

We have all been working hard to write our own version of Goldilocks this week. Everyone tried hard to remember our key skills of sentence punctuation and they also used some different sentence openers. In science, Y5 learnt about food miles linked to climate change while Y1 learnt about different materials. In PE on Thursday, we practised marking a defender. With Mrs Chown in computing, the children have been learning different aspects of coding and programming including using different blocks in Scratch.

### Attendance

Our attendance this week is  
93.75%

Our attendance since the  
start of the year is 94.75%
