Issue 8

This Week

In English this week, we have been learning about different ways to start sentences and how to write speech. KS1 have learnt about the events of the Great Fire of London while KS2 learnt about reasons why the Windrush generation came to Britain in history. In maths, learning has included partitioning 2-digit numbers, learning to estimate and use the inverse or finding and using equivalent fractions. In French, KS2 learnt the days of the week. On Tuesday, we commemorated Remembrance Day by attending the service at the war memorial. The children were a credit to our school.
