Friday 17th October

Issue 7

This Week

In English, we have finished writing our non-chronological report about our own creature from Pandora. The children worked hard to improve their writing by adding in extra details or features. With Mrs Chown in computing, the children learnt about online safety. In geography, KS1 learnt about what human and physical features are while KS2 looked at land use patterns and compared Membury to an urban area. In music, we have learnt to sing our song 'Let your spirit fly' and have been improvising with up to 3 notes to fit the pulse and feel of the music. In maths, Year 1, 3 and 4 are working on addition and subtraction while Y5 have started learning about multiples and factors.
