Issue 1

### This Week

On Tuesday, we enjoyed a lovely walk through the village as part of our Geography lesson. KS1 looked at what was interesting and what could be improved while KS2 created sketch maps showing different land use which will be used in later lessons. In English, the children have written their magical setting descriptions; they all worked really hard to include adjectives while Y5 included relative clauses. In music today, we begin improvising to our song 'Let your spirit fly'. We are continuing to develop our reading skills in school as well and we have practised predicting and retrieval this week. Remember to read and record this in the yellow reading record.

### Attendance

Our attendance this week is  
94.44 %

Our attendance since the

## Every day in school counts...

“Great news! After applying this time last year, we’re in the customer vote for a Tesco Stronger Starts.

It’s a scheme which gives community projects like us grants of up to £1,500.

Tesco customers will vote in **Axminster** and **Lyme Regis** stores during **October - January** to decide how much funding we get, so please support us next time you shop at Tesco and ask your friends and family to vote for us too!
