Thank you

A huge thank you from all the team here at Membury for your support with our inspection this week. The inspector had never had over 100% response rate to the Parentview before. The children were brilliant with the change in routine and sharing their learning and experiences. As we are close to the end of the academic year, it is likely that the report will not be published until September. The outcome and report will be shared with you once we have received it.

Sports Afternoon

Sorry for the delay in confirming the details of sports day. We will begin Sports afternoon at 1.30pm on the playing field. The children will take part in both track and field activities which results will be taken to be part of the First Federation Sports competition. Once we have finished, the children will return to school to collect their belongings. Thank you to Lucy who is providing refreshments for the children.
