### News

#### **Mrs Hopkins**

Sadly, Mrs Hopkins will be leaving us at the end of the year as she has taken on additional days at her other school. We will be advertising the position shortly and I will advise you of the outcomes in due course.

#### **Oak Apple Cafe**

Thank you to everyone who supported the school last Friday. The cafe was busy with the macaroni cheese going down a treat. The children were all well behaved and really enjoyed engaging with the community. Their confidence is growing with each café and I rarely have to prompt them to do things now.

Thank you to the community for coming out to support the children. Being a small school gives us this unique opportunity for us to learn life skills we might not in other schools. We raised over £200 for the school so thank you so much. It was lovely to be part of a lovely afternoon. – Lucy Pearse

#### **This week**

Highlights this week have included the children writing their persuasive letters using emotive language in English. In art, KS2 applied their learning of tints and shades to create 3D effects. In science, Year 2 went on a plant hunt around school. Reception has written some fantastic sentences independently in Drawing Club and made a brilliant under the sea collage.

Have a lovely weekend,  
Miss Wickens
