News

This week

A super start to the last half-term of year has seen us start our new topics in our foundation subjects. KS1 started learning what a monarch is in history, skills to shape clay in art and about parts of the plant in science. KS2 learnt about the causes of the Industrial Revolution in history, creating tints and shades in art and Year 3/4 learnt about pollination while Year 5/6 learnt about life cycles of mammals and birds. Reception has completed some excellent writing about The Fish who could wish and has been exploring the roleplay area, mixing colours in painting and recalling number bonds to 5 and 10.

Attendance

We continue to strive for good attendance for all. Thank you to everyone for our attendance so far this year which is an improvement of 2.7% on last year. A graphic below shows the important of good attendance.

Online safety

There are excellent parent guide at <https://nationalcollege.com/parents> with information about youtube, gaming and all other aspects of online safety to ensure children are being safe whilst online.

Have a lovely weekend,
