Leaver's assembly

News

Farm Trip

Unfortunately, we have not been able to secure transport for our farm trip on 17th July. I would ask that if you would be willing to transport your child to Newhaye Farm, Rousdon, DT7 3 RD, please can you let me know by Wednesday 5th June so that I can cancel our visit if needed.

Chard Museum and Martial arts

More information about these will be sent out after half-term!

This week

The children in have written poems about their 'Greatest Day' in English this week. In science, Year 2 investigate where the sun's UV rays are strongest, Year 3/4 investigated how water transports up through plant's stem through the xylem while Year 5/6 investigated making glues using their knowledge of properties of materials. In computing, Year 2 created their edited photo story and Year 3/4 finished editing their book trailer video. Reception has been writing excellent sentences, learning about where minibeasts live as well as continuing to care for the plants.

We look forward to welcoming everyone back from half-term on Tuesday 3rd June.

Have a lovely week,
Miss Wickens
