Friday 20th December
3pm in the church

News

School Individual Photos

The children will have their photos taken on **Thursday 7th November after lunch**. If you would like to send in a clean spare jumper that day, please do!

Governor visit

I had the pleasure to visit the school during the week to observe the maths lesson with all the years. Firstly, I want to say how impressed I was with the amount of preparation that Miss Wickens does to get every year group taught at the same time. I did a pupil voice visit and the children told me that they enjoyed the new structure and in particular loved the challenges that are scattered throughout the classroom. It was lovely to see how well Miss Fowler had settled in as well. All the children were really happy and settled.

The Governing Body has changed from September and your new Parent Governors under the First Fed are Lucy Pearse and Helen Newton. I would like to thank Ily, Sue and Gill for all their hard work and service through the years. Sue is still around and volunteering especially in science.

Thank you to those who helped with Cafe and fudge cups - we have already so far raised over £200. We will give you the final figure after half term. Thank you to Megan and Helen who gave up their time to volunteer and help.
Lucy Pearse - Governor

This week

We had a lovely afternoon on Tuesday going on an autumnal walk before lighting fires, making s'mores and learning to tie some knots. In maths, we have continued to work hard in learning new skills. We have completed all our units of learning in the foundations subjects now and look forward to next half-term's topics!

Have a lovely half-term break!
Miss Wickens

Membury Star

Well done Riley!

You are showing our core value **PERSEVERANCE** by working hard to crack the long division method!!

Thought of the Week

Weekly Attendance

Our attendance this week is 92.06%.

Our attendance since September is 93.06%

Our target is 97%.
