News

This week Eagle class have been busy preparing Harvest artwork and poems for the church in their challenge time. The children have also enjoyed investigating magnets using our magnet race track!

Year 6 took part in a Badminton workshop at Woodroffe School on Monday after school. The children learnt to serve and rally.

In English, we have started learning about biographies. The children have learnt about the features and made notes about a significant person to write a biography about. In science, KS1 learnt about how exercise is important to stay healthy. Year 3 learnt how magnetism is a non-contact force and Y5/6 investigated water resistance. While KS1 were planning ideas for their self-portraits, KS2 were preparing their mosaic tiles with careful measuring and cutting.

Harvest

We will hold our annual Harvest festival in the church Friday 11th October at 3pm. Please bring in any donations of food that we will then donate to a local food bank. We look forward to welcoming everyone there.

Have a lovely weekend!
