## Weekly Newsletter

Friday 20<sup>th</sup> March

Issue 24

### This Week

In English this week, we have been writing imagery poetry focusing on skills such as adjectives, similes metaphors or personification. Year 5 have learnt about the movement of the Earth and Moon around the sun in science while Y3/4 have learnt about how fossils are formed. In maths, some children have been learning about multiplying and dividing by 5 and ten while others have been learning about fractions or adding and subtracting decimals.

### Updates

#### Clubs

There will be no clubs until after Easter.

#### Reading raffle

A reminder that we are running our reading raffle again this term. Daily reading is important practise to build decoding, fluency and comprehension skills. Children can read anything including their school reading book. Please record in the yellow reading record.
