## Weekly Newsletter

Monday 1<sup>st</sup> June

Issue 30

### Last Week

In the week before half-term, the children all continued their learning about statistics in maths. Year 5 moved on to learn about line graphs while the other children practised and applied their prior learning to bar graphs and other data sets. The children learnt about reasons for river pollution in Geography. In music, the children sang and played along on tambourine, glockenspiel or recorder to Livin' on a Prayer. In computing, Year 5 continued to develop their stop motion animations while Y1 edited photos for their photo story.
