Issue 31

Last Week

We have started new topics in our foundation subjects. In history, KS1 are learning about toys: past and present while KS2 are learning about the local history of Stringfellow and powered flight. In art, the children are learning about sculpture and in music, KS1 are learning to sing, play and compose to 'Your imagination' while KS2 are being music producers to create music to back a spooky story. In English, the children use description and commas or parenthesis to write a character description. Maths has focused on position and direction with Y5 learning about coordinates while the other children learnt about using positional language.

Updates

Open afternoon

We will be holding our open afternoon on Saturday 11th July. Please share with the wider community to come along and see our school. We have posters available in school if you can put any up for us.

Looking ahead

We have provisionally booked pantomime tickets for December. Previously, we have funded the coach cost through fundraising from the café and raffles. At the moment, we are unable to cover this cost. We are looking at an alternative in Axminster and we will update you once we have more information.

Fundraising/donations:

Our Amazon wishlist has been updated with books and Yoto cards: <https://amzn.eu/0eu1X7f8>

Easy fundraising - every penny helps. Every time you buy online, click for a donation by adding the donation reminder to your browser or phone.
