Weekly Newsletter

Monday 15th June

Issue 32

Last Week

In English, the children have been recounting the events of 'Tuesday' using skills including the past tense, different sentence openers and including thoughts and feelings. In maths, we continued work on position and direction including looking at patterns, symmetry, reflections and translations. PE on Thursday was a bit wet but we continued inside following maps around a grid of cones and making our own exercised for each move. KS2 continue to enjoy being music producers and added drum and bass lines to their 'spooky story' composition. In science, Reception and KS1 have enjoyed planting seeds and bulbs and observing how they are growing while KS2 have been learning about electricity and building circuits.

Dates for the diary

Wednesday 24th June
Y5 STEM day at Axe Valley - more information coming soon

Friday 10th July
Interactive music afternoon

Saturday 11th July
Open afternoon

Monday 13th July -
Sports afternoon

Wednesday 22nd July -
Last day of term
