Last Week

Last week, KS1 were applying the skills they had learnt about shaping paper to make a sculpture while KS2 planned ideas for their own 3D artwork. In science, KS1 set up an investigation into what plants need to be able to grow and KS2 investigated circuits. In maths, the children learnt about 2D and 3 shapes including recognising properties and sorting in different ways. In RE, KS1 learnt about synagogues and KS2 learnt about bar and bat mitzvahs.

Star of the Week

Well done to Bethany for great reading of your CVC words.

Updates

Hot weather

Please can all children bring in a water bottle and sunhat. They may also bring sunglasses. Please apply sunscreen before school. We will be using the covered outdoor area at lunch times.

Children may wear PE kit or school uniform this week - whichever will keep them coolest.

Newspapers

We are still looking for old newspapers if anyone has any to donate.

Every student. Every day.
