Issue 37

Last Week

This week we have been finishing off lots of our learning across the curriculum. In English, the children wrote their own portal stories and edited them by redrafting sentences and paragraphs to include a range of skills. Music revisited prior learning by singing and playing along to songs we have learnt this year using the glockenspiels and recorder. In science, KS2 completed their learning about circuits by making a circuit for a purpose.

Attendance

Our attendance this week is
100%

Our attendance since the start
of the year is 94.62%
Target: 97%

A reminder that the register closes
at 9am. After 9am is recorded as
late. Please let us know of any
absences before 9am.

Updates

PE days next year

Sadly, we have had to say goodbye to Mr Collins as our sports funding from the government has changed. PE will be taught by Miss Corrick and Miss Wickens **on TUESDAY and THURSDAY** each week.

Clubs

We hope to be able to offer a club on a Monday and Wednesday. There will be no clubs in the first week of term and information will be sent out about clubs at the beginning of term.

Have a wonderful summer!
