Membury Primary Academy Weekly Newsletter

Monday 19th October | Issue 6

Last Week

The children have all worked brilliantly last week. In geography, KS1 learnt about compass directions and applied their learning to label a large map with continents and oceans while KS2 learnt about supply chains and how trade has changed over time. In maths, the children learnt and practised mental methods of addition and estimating answers. Some excellent letters were written as the whale from Tale of the Whale about plastic pollution in the oceans.

Attendance

Our attendance last week was 95%
Our attendance since the start of the year is 96.67%
Target: 97%

A reminder that the register closes at 9am. After 9am is recorded as late. Please let us know of any absences before 9am.

Star of the Week

Well done Caroline for her great use of persuasive and formal language.

Updates

Pantomime
A reminder that the pantomime trip is now live on Arbor. Please let us know before the day who will be transporting your child. We thank you all for your support in helping this trip to take place.

Reading
We would like to encourage all children to ensure they are reading at home daily and recording this in their reading record. Regular reading helps build fluency, vocabulary and comprehension. We appreciate your support with reading at home.
