Writing:
 In English this half-term, we will be writing to entertain in the first half using 'The Search for the Giant Arctic Jellyfish' as inspiration. We will then be writing to entertain with a focus on imagery poetry. Finally, we will be writing to inform. We will write a letter linked to the wordless picture book 'Flotsam'.

Computing:
 In computing, KS1 will be furthering their understanding of programming through the use of beebots, as well as continuing to learn about e-safety.

Art & Design:
 This term we are learning all about colour and will focus on mixing primary colours to make secondary colours.

PE:
 On Mondays, we will be learning striking and fielding skills with a focus on cricket. On Thursdays, we will be focussing on different fitness skills.

Reading:
 We will be revising all our sounds and learning to read longer words with same sound, different spelling. We will be reading Blue books and practise to read with speed and fluency.

Spring 2

PSHCE:
 This term we will be completing the 'healthy me' unit and look at how we can stay healthy and safe.

RE:
 This half-term we will be learning about why the Easter story matters to Christians. We will be learning about the different parts of the story and symbols of Easter.

Extra Curricular Learning:
 Easter service with recorder performance

Mathematics:
 In Maths we are looking at multiplication and division and will learn how we can use equipment to help us solve answers. We will then be moving onto measuring length and height in standard and non-standard measures.

History:
 We will be learning about 'Nurturing Nurses'. We will begin by learning what we mean by a significant person in history before learning about the lives and legacies of Florence Nightingale and Mary Seacole.

Music:
 We will be returning to the recorder where we will revise the 3 notes we have learnt and introduce C to play and perform a longer piece of music.

Science:
 We are finding out all about seasonal changes. We will be learning all about different weather patterns and how they change throughout the year. The children will also have the opportunity to take part in different experiments.
