 Non-Religious Beliefs

Writing:
 In English this half-term, we will be writing to entertain in the first half using 'The Search for the Giant Arctic Jellyfish' as inspiration. We will then be writing to entertain with a focus on imagery poetry. Finally, we will be writing to inform. We will write a letter linked to the wordless picture book 'Flotsam'

Computing:
 Years 3 and 4 will be consolidating and extending various computing skills in their unit learning about HTML, while Year 5 will be learning how to program a micro:bit.

Art & Design:
 This half term we will be creating multimedia portraits. The children will have the opportunity to use different mediums to create portraits and look at the work of famous artists.

PE:
 On Mondays; we will be learning striking and fielding skills with a focus on cricket. On Thursdays, we will be focussing on different fitness skills.

Modern Foreign Languages:
 In French this half term, we will be completing the unit 'colourful creatures' where we will be focusing on colours and animals in French.

Reading:
 In Reading, we will be developing our comprehension skills and answering questions focusing on vocabulary, inference, prediction, evidencing, retrieving and summarising.

Spring 2

PSHCE:
 In our healthy me unit we will be focusing on the different friendships and relationships we have with others and how to cope with peer pressure,

RE:
 We will be learning about 'How do Christians decide how to live? What would Jesus do?' with a focus on parables and Jesus' sermon on the mount.

Extra Curricular Learning:
 Easter service performance

Mathematics:
 This term Lower key stage 2 will be start by learning about length and perimeter before moving onto fractions. Year 5 will be learning about volume and capacity and then move onto decimals, fractions and percentages.

History:
 We will be learning about the Ancient Greeks. We will learn about the ages of Greek civilisation, government, daily life using primary and secondary sources, religion in Ancient Greece and the legacies that influence our lives today.

Music:
 We will be returning to the recorder. We will learn a new note C. We will learn to read crotchets and quavers and play with dynamics.

Science:
 Lks2 will be learning all about rocks and soils. We will find out about the different characteristics of rocks and learn how fossils are formed. Year 5 will be learning about Earth and space, they will learn about the planets in our solar system and how the Earth's movement affects the weather and daylight hours.
