Issue 20

### This Week

#### Safer Internet Day

On safer internet day, we enjoyed taking part in a range of activities. We looked at what AI is and how we can safely use it at home and school. We also had the opportunity to play the game 'quick draw' where AI guessed what we were drawing. This helped us to understand how AI learns and collects data. We then discussed how AI can be unreliable and can be used to make fake news or spread false information making it very important to check what you see online and the information given to you from chatbots.

KS2 have completed their making of their final car designs – some excellent skills and designs. In English, the children completed their advert and published.
